參展商感言：

I believe that only Hong Kong could have hosted such an energetic event. This may be due to its location in Asia, the size of the market in background, and recent political trends. I admire the sense of the organizers of this event in being able to proceed with the business negotiations with the parties that participants clearly chose with each other's own will. Thank you very much.

Saryang Kim, Yuzuya Honten Co Ltd - Japan Exhibitor

買家感言：

We are developing a healthy menu and would like to source for some niche F&B products. HOFEX Connect has matched me with the right suppliers while saving my time and effort looking for them all by myself. It was definitely a very helpful business matchmaking platform.

Mr Men Ho Ma, Head Chef, The Wall Street Bar (Hong Kong)

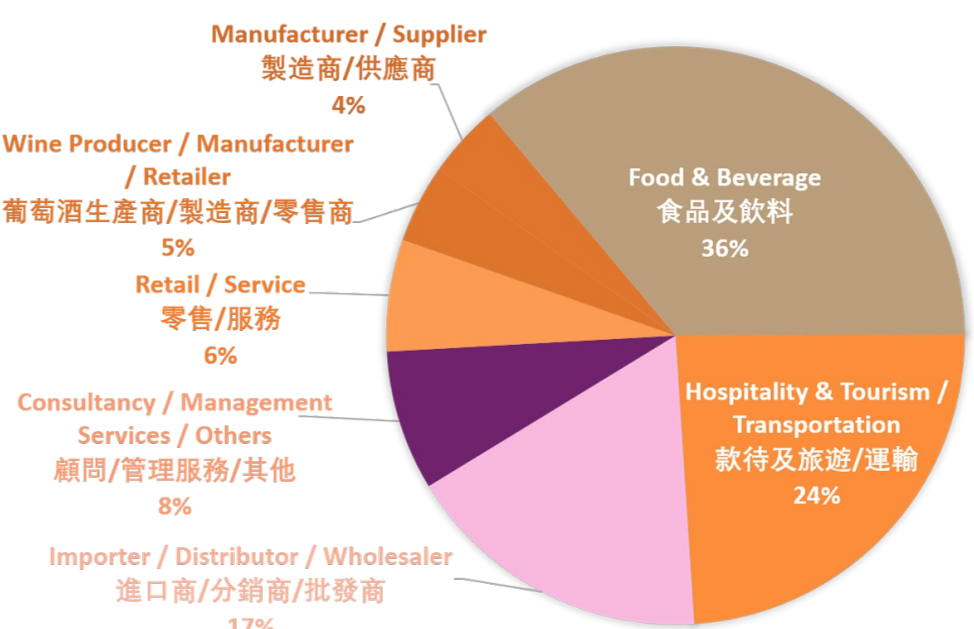

HOFEX Connect was a great platform for me to find new suppliers. I always received the support I needed on meeting arrangement from the Organiser. Thanks to that I was able to meet with the suppliers out of my busy schedule. The event was overall very well-organised.

Mr Danny Ho, Executive Pastry Chef, Hotel Icon
